

Chapter 3.5

Media & Communication "Improvements"

SOME ITEMS FROM A CHRISTIAN'S VIEW FOR CHRISTIANS TO THINK ABOUT

A few years back, a Freemason came to Christ. He went into Christian work, carrying on various ministries. He ended up helping establish a Christian radio station and a call in program. This was in New Mexico. (Further details are being omitted.) The call-in radio show was a big hit. In order to take all the calls over 20 local ministers manned the phone lines each night. One day this man went on the air to tell his testimony of how he came to Christ from Freemasonry. Before he went on the air, many callers had tried to prevent the radio station from letting him talk. When he went on the air, the ministers who regularly showed up to take calls didn't. Out of over twenty, only two showed that night. The ex-mayor of the city, a Mormon called after the show to the station and yelled at great length at them that their ministry was finished, that he would no longer support the station. That Christian station became moribund after that, and support for it simply died. Such is the power of Freemasonry even over Christian radio stations.¹

Even Christian publishers and supposedly Christian radio and T.V. will rarely support Christians who could really expose the opponents of Christ, and who can really defend intelligently the Christian faith. Instead, they give us a steady supply of subjective emotional religious babyfood. (This Author won't get into an exposé of the Christian publishers. Not that it couldn't be done. He will simply ask them out of love as a brother to take stock of themselves, and if need be to repent and serve Christ.)

So-called Christian media may be a tool in the hand of the New-World-Order, but that doesn't get the rank-and-file Christians off the hook for their own gross dereliction of duty. Many of us calling ourselves Christians (should that not mean Christ-like?) give lip-service to the idea that there are two kingdoms, Christ's and Satan's, but then sit down in front of the Television and absorb uncritically Satan's Kingdom's propaganda. In fact we have absorbed so much of it, we can't recognize truth if it hit us over the head. Which someday it may.

A CHRISTIAN REPORTS

One Christian reports that the Illuminati paid Chuck Smith of Calvary Chapel two \$4,000,000 checks to start Maranatha Records and "Jesus Rock", in order to get rock music into the churches. Further, witches were trained as "spirit-filled" Christians and infiltrated into the companies of Sparrow Records, Birdwing Records, WORD Inc. Myrrh, Lexicon, and Light Records, and sent out such "ministries" as LoveSong², Children of the Day, Nancy Honeytree, Larry Norman, Chuck Girard, Phil Keaggy and others.

CHRISTIAN ROCK & NEW WORLD ORDER THEMES

Christian rock has been coming out with albums promoting all the band-wagon themes of the New World Order, globalism, ecology, etc. including even the idea of a One-World-Church.

CHRISTIAN ROCK & THE SPIRIT

Christian rock music is identical with secular rock except that Christian words are used in the lyrics. Approving such music ignores that music is more than words but also beat, rhythm, and

the combination of particular instruments. Christian rock is damaging the spirit of its listeners. The beat that almost all Christian music sold has is the same beat that is known to put people into trances.

Why is witchcraft (and the New World Order it is in favor of) supporting such music? Because they know it is destroying the Christian faith and helping build their New World Order.

TEST THE SPIRITS

The Scriptures warn the Christians to test the spirits—to see if they are of God. Therefore, we can not blame anyone else if we have been negligent in carrying out this. I am not going to do an exposé of "Christian" publishers, "Christian" television, "Christian" magazines—not that it couldn't be done—but that I hope they will quit worrying about being successful and concern themselves with being faithful. An example of one issue of a very respectable Christian magazine should serve the reader notice where our "Christian" media is at. The cover had a picture of Gorbachev and Bush hammering a sword into a plowshare. The article was entitled "CT Institute: An agenda for GLOBAL Reconciliation Senator Mark Hatfield envisions a new day for superpower relations."³

So the Christians pick up something written by a 32° Mason who is into witchcraft and who wants to see a One-World-Government, and they are led to believe this is a great Christian Senator giving us his Christian wisdom.

Believing that the best defense is an offense, and believing that we should be defenders of the faith once delivered, I am doing my little to counteract the deluge of false propaganda put out not only by the secular Media, but many of our "Christian" sources.

WHO OWNS THE CHRISTIAN PUBLISHERS?

Christians need to begin to examine who owns some of these Christian publishers. One report stated a British Insurance Executive claimed he owned 37% of Zondervan's 4.1 million shares.⁴ Zondervan denied it.

A MASONIC DOCUMENT

A masonic document that was written for key members that were involved in the Rite of Mizraim and the Prieure de Sion is of interest at this point. The document was in French and is over 50 pages long. It circulated among key illuminated Masons during the 18th and 19th century. How important the document was in policy planning is open to debate, but it would seem to have either been policy or coincided with policy. On what basis does it seem to have been policy? Its principles have been carried out exactly over the last 200 years. A condensation, paraphrase of the translation is given below. This Author is not concerned with whether the document was or wasn't an actual policy plan, because what has happened historically is so close to the document that that in itself speaks for itself. Either by coincidence or design this document describes what has happened to the world.

The Mass Media creates the thoughts of the people. It tells the people what they need, it allows the people to voice their complaints, and to express discontent. By using the power of the Press secretly we have also made much money.

We are leading the people from one disenchantment to another. They will even tire of our rule and welcome the King/Priest dictatorship of the House of David that we have been preparing for centuries.

Agents tell the people that in order to secure liberty, the international brotherhood of all, and

their equality of rights they need to abuse their national governments. This is to be accomplished by a unification. But we do not tell them who will rule the unification.

Who can overthrow an invisible force? Freemasonry remains a mystery to the public and serves as a screen for us.

It is critical to undermine all faith, destroy the principle of the Godhead, and replace it with materialism and mathematical calculations. Keep the public busy, put industry onto a speculative basis, and foster a desire for consumerism and wealth.

We will slowly increase the centralization of government.

We have created a class of specialists from our administrative branch that have developed the manipulation of the public into an art. This skilled manipulation uses theory, verbiage, regulations and other items and quirks which the public can't comprehend.

The principle object is to debilitate the public's mind by criticism, and lead it away from serious reflection of what is really going on. These distractions along with sham fights will prevent resistance.

We must bring them into a state of bewilderment by allowing and promoting so many contradictory opinions, that people will lose their heads in the labyrinth, and come to believe the best thing is to have no opinion of any kind in politics.

Sow discord, dislocate the forces against us. Discourage sincere personal initiative. A man with genius and initiative is more dangerous to us than millions of the public.

In order that the real meaning of events are not realized they will be masked with economic theories. We will manipulate government through public opinion, which we can create by the power of the Press.

We will create tenor. We will harness the anarchists, the socialists, the Utopian dreamers so that they will bore away at the last foundations of the established form of order. We will not give them peace until the New World Order is in place.

In order to carry out struggles, money is needed, and all the money is in our hands.

We have fooled, corrupted, bemused, amused the youth with principles we know are false. We have created laws that are an incomprehensible tangled web.

Should any city dare oppose us, we can terrorize it so that even the bravest will be intimidated. The subways, sewers, and other subterranean corridors can be mined and the city blown into the air along with its government, records, and service systems.

We will be saviors to the mobs, who will vote us into power. We have everyone regardless of qualifications voting, because otherwise it will be difficult to get our consensus from a properly educated group of people.

We set up republics with constitutions. And then use the press to condemn the rulers and make them impotent and inactive, and in effect they become useless and superfluous. We put into power presidents from the masses, who can be blackmailed. The people in government are often not our own people, but our puppets who we can blackmail and destroy if they don't follow orders.

In order to create conditions so that people will want a world government, every kind of trouble and discord must be promoted, including the inoculation of diseases, starvation and drug use.

Secret Masonry is not known, and the aims are not even suspected by the cattle. They are attracted to us by our show lodges which serve to throw dust in the eyes of their fellowman.

Any attempt to attack us by the press on its own will be stopped. But note that we ourselves will attack ourselves in the press—at predetermined points. Not a single pronouncement will reach the public without our control. The International News agencies are already ours, and use what we dictate to them.

The masses look at events of the world through the glasses we provide them.

We will neutralize the influence of the privately owned press. If ten privately owned presses are permitted, we will have 30, and so on. But the public will never suspect this, because our journals will be the most opposite in appearance, opinions, and procedures. The official publications are guarding our interests. Then come the semi-official publications. Then will come what appear to be the organs of opposition to us. Our real opposition at heart will accept this stimulated opposition as their own and will show us their cards.

Like the Indian god Vishnu, we will have a hundred arms— publications of all possible complexions.

Our false attacks on ourselves will convince the public that all organs that oppose us lack substance to their criticism. Our opponents will lack the ability to give full expression to their views because of the lack of their media power. We can ignore them.

The masses must be restrained and given new employment periodically. Keep them further distracted with amusements, passions, games, sports of all kinds, art competition. They will grow less and less reflective, and adopt more and more our way of thinking. We will continue to direct their minds with all kinds of fantastic theories, new and apparently progressive. Progress, like a fallacious idea, serves to obscure truth, so that none may know truth but us.

We have stage managed so many people over the years in many institutions. Our belief will not be examined, but the shortcomings of the various beliefs of the masses will be discussed by our experts.

In countries called progressive we have created senseless, filthy literature, to direct the masses to learn what knowledge we want them to know.

Whenever we come into power, even into the New Order, Masons that know too much will be eliminated.

We are facing only two major powers, the Russian Czar and the Papacy. [As the reader has learned, those have since both been captured by Masonic power.] The curious join the Masonic Lodge. Using their vanity they can be brought into a total state of slavish submission. Their conceit allows us to bring them into a state of naivete. Masons who know too much are executed when required by a normal kind of illness. This action prevents any opposition from within Masonry itself.

There you have it. Whatever we make of this Machiavellian-like document, it certainly describes what has happened. For instance, A. Ralph Epperson has written a fairly good book The Unseen Hand, which is a good introduction to the Conspiratorial View of History. However, who does he suggest people go to oppose the Conspiracy? To the Mormon Skousen an ex-FBI man, and especially to the John Birch Society (which perhaps Epperson is unaware was started by a 32 degree Mason with Rockefeller money). —See chapter 40 "Assistance" in The Unseen Hand.) By following Epperson's suggestion to call these groups, in effect, people are simply doing what the above documents states, that is: by setting up their own opposition they will learn what their opponents are saying and doing. This is not to say Epperson suspected that these groups are tools of the New World Order and intentionally gave bad advice. No, he believes the JBS is legitimate. That is why Be Wise As Serpents is needed even for those who are aware of the conspiracy.

Isn't this simply creating paranoia? Not for those who will sincerely oppose the New Order. These people have learned that to fear is counterproductive. There are a certain group of these dedicated servants of God that have been beat up by demonic forces enough in their day to day

life that they are no longer fearful of Satan, but are fully committed to depend on the power of Almighty God Yahweh. They are no longer concerned with who is with them, for they know the truth is on their side, and they realize the stakes are too high to dabble in petty fears. They will faithfully do what they must, and will let the chips fall where they fall. If they make mistakes, they learn and go on. They don't give up.

What this chapter is calling those who oppose the New World Slave State to do, is to reevaluate the issues the Media is giving us. Many of the issues people are getting side-tracked on are intentional distractions by the One-World-Order.

DOES FREE SPEECH EXIST?

Yes, if you want to discuss anything but the details of the Conspiracy, or Christian values, or anything the Power doesn't care is talked about. Examples of "free speech" include:

- A man made anti-Jewish remarks on an East Broadway bus in 1940 and was jailed in a workhouse for 15 days by a Jewish judge.⁵

- A Christian radio evangelist was forced by Jewish threats to apologize over the air for a comment made.⁶

- Father Coughlin who was telling the public facts about the Power was forced off the air, banned by the Radio Assn., which made the ADL gleeful.⁷

- Christians in Killingly, Conn. who objected to the film The Killing Fields as part of a three-day high school program, and others in Crown King, Az who objected to a school reading club being named "666" are labelled censors. The First Amendment gives everybody the rights of speech and protest. But Christians who try to exercise those rights are portrayed as censors by PAW's Attacks on Freedom to Learn and U.S. News & World Report, Nov. '88.

- A Christian woman in Calif. Mrs. Evelyn Smith refused to rent to an unmarried couple living in sin. She believed God would judge her responsible if she permits people to engage in extra-marital sex on her property. Mrs. Smith was fined \$454 dollars in out-of-pocket money to pay for the "damages" the unmarried couple supposedly received from her rejection of them as renters.⁸ Where was her First Amendment right to the free exercise of religion, and the promise of life, liberty and the pursuit of happiness?

The examples could go on ad-nauseum. Christian freedom of speech, and the freedom to verbally oppose the One-World-Power are being muzzled.

Christians continue to try to work through the system. (Their learning curve needs helped.) According to an article in the American Family Association Journal in 1989 the FCC (Federal Communications Commission) had received 400,000 complaints about indecency laws being violated in the last 20 years. They have prosecuted only one of those, that was eleven years back. The FCC demands that a tape or a video tape be sent with each complaint. But the FCC doesn't even have a VCR to view the tapes that they say must accompany any complaint. The complaints are simply sitting on a shelf gathering dust.⁹

In Miami, an announcer regularly solicits young boys for teenage homosexual sex, the FCC does nothing¹⁰- this is freedom of speech. But what if a Christian wants to speak the truth even in love?

The First Amendment has been stood on its head. Pornography, and every evil imagination along with witchcraft of all kinds can be openly discussed over the media and in public. This is hailed as Freedom of Speech. But if one wants to speak of morality, watch out you may be fined, threatened or end up in jail, like the above examples. And if you go through the corrupt system for redress, you may have your complaint gathering dust.

In fact, the Media's anti-Christian bias is so blatant this Author feels somewhat ridiculous for calling the reader's attention to the obvious.

With New Age morality, the majority of Media elite have decided that a certain group of people are subhuman, and deserving death at the whim and fancy of another person, even teenagers.¹¹ I'm referring to the death of millions of unborn children, that the media has promoted.

The anti-Abortion protests have been large and extensive across the United States and have gone widely unreported. The brutality inflicted on the abortion protestors has also gone essentially unreported. The slightest anti-Jewish, or anti-Apartheid protest is picked up by the

Media and these items are given coverage way out of proportion to reality. Some of the items you didn't learn on the 6 o'clock news which show the police state we already live in (—true, it's a benevolent dictatorship):

Pro-life (anti-abortion, anti-murder) protestors received the following treatment from the Benevolent One-World-Power:¹²

A 72-year old bishop was seized, cuffed from behind and then lifted from the ground by billy clubs between his wrists to dislocate both shoulders.

17 women college students had their clothes ripped off, were forced to walk in the nude, in some cases crawl, and some were sexually assaulted.

In other towns women were stripped searched and the cavity searched; others were stripped to the waist and dragged through the jail by their bras with breasts exposed.

Two protestors were driven over by a car while police stood by and watched. The driver was only arrested two days later after the story became public.

According to the source of these anecdotes, depositions have been made of hundreds of similar cases.

Then later, when the anti-Abortion protestors are taken before the courts, their sentences are extremely out of proportion and harsh compared to any sentence any of the other activists in the past have ever received.¹³

Christians can watch the Media, observe the Police Departments, the Judges, and others coordinate a campaign against the Pro-Life movement. But because their media-built frame of reference is so poor, they can not see a conspiracy of power operating. If they were aware of how many Jews, Masons, Humanists, and Satanists are in these groups, and how they cooperate, maybe they would realize that these events are part of a systematic plan and not isolated happenings. Not only that, the One-World-Order puts its people into the leadership positions of the Pro-Lifers. How disheartening it is to see Ronald Reagan and George Bush heralded by the American Life Lobby as leaders of the cause against abortion.

The national press and Mass Media brags about itself as a free-press. From what this Author can tell, it appears they have been instruments in exactly the opposite—the suppression of free speech.

The American Television news is as censored as Russian news broadcasts. Who decides what ultimately is put on the 6 o'clock american news? Various reports indicate that a list of ten or twelve acceptable news stories is prepared by British Intelligence and transmitted to Washington where the CIA routinely approves the list, and then delivers the list to the networks.¹⁴ People within the networks may not all be aware of the dual roles many in Media leadership positions play. Not only do many within the Media have Media leadership roles, but they also have positions in the various secret or semi-secret groups of the New World Order, including but not

limited to the CIA, the Masons, the CFR, and the Order of the B'nai B'rith. Some of the people who work for the Mass Media may be unwitting accomplices.

What? Accomplice—isn't an accomplice one who aids or abets a lawbreaker in a criminal act? This book can't make legal decisions, but the reader can form his own opinion after taking under consideration that Sect. 19, U.S. Criminal Code (18 USC 51) titled "Conspiracy to Injure Persons in the Exercise of Civil Rights." It states:

"If two or more persons conspire to injure, oppress, threaten or intimidate any citizen in the free exercise or enjoyment of any right or privilege secured to him by the constitution or laws of the U.S., or because of his so having exercised the same... they shall be fined not more than...and shall, moreover, thereafter be ineligible to any office, or place of honor, profit or trust created by the constitution or laws of the U.S."

Chapter 3.6

Concentrating Power

OUR NEW GOD- THE ONE-WORLD ORDER

"The Universal is to be found in the State....The State is the Divine Idea as it exists on earth....We must therefore worship the State as the manifestation of the Divine on earth, and consider that, if it is difficult to comprehend Nature, it is harder to grasp the Essence of the State....the State is the march of God through the world..."—Hegel¹

Proponents of Hegel's view (the Nazis, the Communists, the New World Order) find that their god the State turns out to be a poor God. One of the State worshippers is U.S. Senator and social scientist Daniel Moynihan, who got furious at his man-made god for "inexcusably sloppy work....If administrators and politicians are going to play God with other persons' lives (and still other persons' money), they ought at least to get clear what the divine intention is to be."²

WHY WOULD WE WANT TO GIVE OURSELVES TO A WORLD SUPER STATE?

Survival. The New World Order has a host of problems that they are vigorously advertising day and nite in the media, most of which they have skillfully engineered themselves, to get us to believe we need their super-totalitarian socialist New Order to survive. (More about these later.)

The New World Order will merge the State with a super World Church. This Church-State confederacy ruled by a king-priest will attempt total control. It will broadcast that the few people such as devout Christians who stand in opposition to both the law of the state and the institution of the World Church should not be tolerated. It will be said that it is better for them to suffer than for whole nations to be thrown into confusion and lawlessness. The problems that will come as judgements of God will be blamed on those who do not line up with the socialist Kingdom of God. Christ's words that the day will come when those who kill you will think they are doing it in God's service will have special meaning.

The New World Order has been paying, encouraging, and coaching Clergymen of all shapes and sizes to pronounce that our survival depends on Global Interdependence—their nice verbage for their New World Order. Here are some samples of the constant broken record that whines on about how we need this One-World-State to survive:

University of Chicago Sociologist and Jew Morris Janowitz tells us in his book that state coercion has been painful but necessary for mankind.³

The Humanist Manifesto II suggests that without adopting such "bold and daring measures" we cannot survive.

Religious leaders from around the world declared in 1975 at the U.N., "The crises of our time are challenging the world religions to release a new spiritual force transcending religious, cultural, and national boundaries....We affirm a new spirituality divested of insularity and directed toward planetary consciousness."⁴

The U.S. Global Report 2000 claims there is an extreme "megacrisis" of population, pollution, energy, soil, water, etc. "The only solutions...are complex and long-term...far beyond the

capability and responsibility of this or any other single nation. An era of unprecedented cooperation and commitment is essential"

George Bush told us on Jan. 7, 1991 in a speech "Out of these troubled times, our fifth objective- a new world order- can emerge....I think what is at stake here is the new world order....will the United Nations, its peace-keeping function having been elevated to its most promising height since 1948, be sent back to the Dark Ages because we failed to fulfill its mandate?"

Another Hegel quote is "America is therefore the land of the future, where, in ages that lie before us, the burden of the world's history shall reveal itself."⁵ Although the goal is world dominion, United States is repeatedly viewed as a major player to make the One-World-Government come into full power.

Twenty-four U.S. Senators and eighty U.S. Representatives signed a Declaration of Interdependence which repudiates items in the Declaration of Independence and pledges themselves to support "institutions of world order." (By the way a good number of them were Masons) This Declaration of Interdependence in 1976 begins "When in the course of history the threat of extinction confronts mankind, it is necessary for the people of The United States to declare their interdependence with the people of all nations and to embrace those principles and build those institutions which will enable mankind to survive and civilization to flourish." It goes on to describe those international institutions.

In my "book" so to speak, anyone who takes an oath "to support and defend the Constitution of the United States against enemies within and without" and then signs a Declaration that pledges them to the creation of a world government which will nullify that Constitution has committed treason, not to mention proving themselves untrustworthy.

Do you really believe we are faced with extinction? And who has created that threat? Was it not those who governed us? Was it not Government that was involved in Nuclear energy and Nuclear bombs? etc. etc.

WHAT DISASTERS DO THEY HAVE PLANNED FOR US.

Already by the 1870s, the Illumined Masonic leaders had decided it would take three world wars to bring people to the point they would want a strong world government. They have not played the third world war card yet.

H.G. Wells wrote that an invasion from outer space would unify mankind. At least two men who have worked for military intelligence have seen the plans to create a fake invasion from outer space to unify the world. The technology to build UFOs exists— I won't take the time to prove it, but it does. They have not played this card yet either.

Financial disaster created conditions that the dictatorships of Mussolini, Hitler, and (dare we say?) Roosevelt came into power. It is in the planning, to do a monetary exchange in the United States, and for present money to be inflated. It is in the planning to reduce the American standard of living. They have not played that card yet.

THE PLANNED (MOCK) ALIEN INVASION

Something big is happening. The whole subject of UFOs leaves the objective person bewildered. There are several key points that are verified beyond doubt on the subject.

1. There has been intensive interest by the movie industry about extraterrestrials, science fiction scenarios about their coming to earth. There have been lots of secret interest on the part of

governments and intelligence agencies. The level of secrecy on documents pertaining to UFOs is two secret levels above the H-Bomb project. The highest secrecy level —Top Secret Umbra— were placed on the Top Secret affidavit giving the National Security Agency reasons for withholding its documents on UFOs. SIGINT documents that are classified above TOP SECRET receive a an additional stamp such as ROYAL, COSMIC, or in the case of one set of UFO documents in case MJ-12 they were stamped MAJIC.

2. After the book Above Top Secret, which conclusively documents ad nauseum how there have been government coverups around the world concerning UFO, especially in the U.S., there is no reasonable doubt that some of the biggest intelligence agencies like the CIA, NSA, and MI6 are committed to disinformation and coverups.

3. UFO activity is related to the Occult, the New Age, and demonic activity. It is likely the whole thing about UFOs is going to be related to a One-World-Religion.

A newsletter put out by a UFO research group Nevada Aerial Research Group describes Phillip Klass attending the 1989 MUFOU Conference. Phi Klass has blown his cover with UFO buffs, they know he is a CIA agent.⁶ Signs posted at the converence warned no recording devices were allowed. The Mufon Conference Security had to remove Phil's tape recorder.⁷

Not only does Phillip J. Klass apparently work for the CIA, but he wrote a book to debunk UFOs called "UFOs-The Public Deceived." Perhaps he wrote it at the CIA's behest.

The Watchtower Society opens their Awake! (Nov. 8, 1990, p.3) article on UFO's by quoting Phillip J. Klass. It's interesting how the WT Society uses Phillip Klass and Edward Dolnik to turn the subject of UFOs into the soon-to-come apocalypse. This Awake! article quotes Edward Dolnik,

"The leading explanation today has to do with deep-seated and apocalyptic fears associated with approaching the millenium." The WT Society adds, "that is, as we approach the year 2000."

This author doesn't know what is behind UFOs, except in general it is evil. The book Above Top Secret is so well documented that it is interesting that the WT Society would promote the view (pp. 8-9) that there has been no coverup. We are looking at a religious institution that has repeatedly called the all government, including the U.S. government dishonest, yet it wants to turn our belief away from a cover-up.(?) Did they not read the book Above Top Secret which they themselves mention in the article? At this point, the Watchtower Society is going along with the Party line of the New Order—which is to draw attention to the issue, but not disclose anything.

The bottom line of the article is that the WT Society gets more subjective "proof" for the date 2000, and reinforces that date into the collective mind of their readers. This author does not have the inside scoop on how the topic of UFOs will benefit the New Order, but it looks like its a topic that will hang around, no pun intended.

A sample of the UFO stories surfacing from witnesses all over the globe is the story of Sid Padrick. His story was told with such credibility that many are convinced of it. He says that the E.T. spokesman in the spacecraft that took him told him that, "As you know it, we have no sickness, we have no crimes, we have no police force. We have no schools—are young are taught at an early age to do a job, which they do very well. Because of our long life expectancy we have a very strict birth control. We have no money. We live as one."

Sid Patrick claims that the Alien ask him, "Would you like to pay your respects to the Supreme Deity?" "When he said that I almost fainted. I didn't even know how to accept it. I said to him, "We have one, but we call it God, Are we talking about the same thing?" He replied, "There is only one."...So I knelt and did my usual prayer....Until that night I had never felt the presence of the Supreme Being—but I did feel Him that night.

"It's obvious that they are on a very high scientific level, but their relation with the Supreme Being means a lot more to them than their technical and scientific ability and knowledge. I would say that their religion and their science are all in one."

William Cooper, former U.S. Navy security and intelligence officer, claims to have seen plans while on an intelligence briefing team for the Pacific Fleet Intelligence Center to create an artificial threat from outer space to unite the world. His research indicates that the world is being ruled by men of secret societies intent on ruling the world. The Saving & Loan crisis, the depletion of the FDIC fund, the forgiving of third world debts is all calculated to collapse the banking system and to motivate us to adopt a cashless society.

A man claiming to be an intelligence officer has given dossiers of documents to certain people that there is a big conspiracy on the part of the governments to defraud the people of their freedom. Should we believe such people?

Knowing what this author knows, I would suggest people listen to such men's evidence. The New Order typically has played both ends of the spectrum, and undoubtedly has their nose in both sides of the issue. The CIA is one of the chief elements of their power.

Exposees on the CIA may come from three sources, legitimate, crank, and the CIA itself, so undoubtedly some degree of discretion must be used in deciding what information is legitimate.

HAVE YOU EVER WONDERED?

Have you ever wondered why the big American automakers seem to have lost out to the Japanese? Why is it that such great corporations like GM and Ford with their capital (finances) and technology could fail so easily? Why is it that by some slight of the hand American technology was transferred to Japan?

Have you ever wondered why the media plays up Japanese buy ups in America, yet Great Britain which has more investment in the U.S. than Japan goes unnoticed?

Have you ever wondered why the Savings and Loans and Credit Unions are being delivered some death blows, while the powerful banks increase in power and size? Did you wonder why a Savings & Loan like Benjamin Franklin was solvent and financially healthy one day and the next in such trouble it was ordered to sell itself?

Have you ever wondered why the South African government and country has been attacked in the media and the UN for apartheid, when the racial policies of China with the Tibetans, Iraq with the Kurds, India with its culturally engrained caste system where the light skin Aryans are tops, and other nations are far worse? Why was so much attention and economic embargos placed on South Africa alone?

THE CONCEPT OF INTERDEPENDENCE & JAPAN

The rise of Japan as an economic world power appears to disprove to some that the world is moving toward centralized control.

Around 1987, Financial Times ran a headline calling Kenichi Ohmae "Japan's Only Management Guru." Kenichi Ohmae, is not likely the only Japanese to be knowledgeable in

business, but it is interesting to see what a leader like him from Japan believes in. In 1985, he wrote *Triad Power*. In 1990, he came out with *The Borderless World Power and Strategy in The Interlinked Economy*.

The Japanese Business Leader believes national borders no longer exist. He says, "An isle is emerging that is bigger than a continent—the Inter-linked Economy (ILE) of the Triad (the United States, Europe, and Japan) joined by aggressive economies such as Taiwan, Hong Kong, and Singapore."⁸

"The policy objective for the ILE will be ensuring the free flow of information, money, goods, and services as well as the free migration of people and corporations. Traditional governments will have to establish a new single framework of global government. Toward that end, the first and most important step is to understand the global economy accurately. That's the purpose of this book."⁹

But how does one get the Japanese to open up? The answer lies in understanding Japanese culture.

The Japanese and gifts. There is a Japanese term which describes the concept of returning a gift with an equal or better gift. A Japanese person may not like to receive your gift, because he feels he loses face if he can't ante up a better one in return.

In return for Americans allowing the Japanese into American markets, the Japanese must reciprocate or lose face. Granted American pride has taken a beating, as the Japanese have been allowed to invest in America, but much of the cause of this wounded pride is superficial.

For instance, Sony bought Columbia, and the Japanese also bought Paramount. But Warner Bros. is far greater than Columbia in size and it has also merged with Time/Life. That merger between Time/Life and Warner Bros. has created such a large entity that Columbia is of small significance—except that it opens the door to the internationalization of Japanese and Chinese products.

Many of the "Japanese companies" are really international. For instance, IBM Japan, is this company Japanese? It has 20,000 Japanese workers, but its equity holders are American.¹⁰ Honda has an operation run by Americans in Ohio, and Texas Instruments has memory-chips work done in Japan—so which is the American product? Cellular phones sold in Japan by a Japanese company may have components made by Americans at the U.S. division of the Japanese company. Sony sends audiotapes and videotapes to Europe that it makes at Dothan, Alabama.

The New Republic magazine informs us that "The very idea of 'American' products made by 'American' firms is becoming obsolete. Lee Iacocca warns of the Japanese invasion of America, but American-made parts now constitute a smaller portion of the top models of the Big Three than they do of Honda's top-of-the-line cars."¹¹

The companies supposedly invading us, are often multinational companies that are aligning themselves with the Interdependent economy the One-World-Order wants. Rather than believing in the myth that the Japanese are taking over, we should realize that the internationals are taking us over.

Which part of the world has more economic sales potential. China and Japan with over one third of the world's population, or the U.S.? A shoe company, or most any other product company realizes that China has a much bigger market. To open the Asian market, they are allowing Japan to invest in the U.S. In the long run, the elite Americans and Europeans who have large financial interests in Japan, are using the Japanese to open up the China market. China has typically suffered from the delusion it is the center of the universe, so it is taking a great deal of work by the Internationalists to work the Chinese into the anything global that they run.

It is true Japan has a near "monopoly" on advanced computer chips, although recently an American firm won an anti-trust suit against them. But so what? Half of the semiconductor production machinery and software to design complicated chips are American made. Rare gasses, photo resists, and other items essential to its production are American controlled.

Speaking about something that is greatly overlooked American controlled is the world's money supply. There is no national currency except American dollars that are in sufficient supply for the Sheiks and other wealthy people to keep their money in. Most of the world's wealth is kept in dollars, and the value of dollars is controlled by the Fed (Federal Reserve System), and ultimately is Rothschild controlled through the Banks that control the Fed.

Two of the most powerful men of the elite are Japanese. These top Japanese are definitely being given a piece of the action in the New World Order. However, sources that have inside knowledge indicate that the New World Order plans to pull the rug from under the Japanese economy first, before they destroy America's. This is possible, but during 1991 the New World Order has been moving massive amounts of money out of the United States. (As I write this in 1991, it doesn't appear the United States has too much longer of a grace period.)

Although the Japanese have Dai-Ichi Kangyo Bank, now the largest bank, with \$414.1 billion of assets as of 31 Mar '89, they are not the masters of the banking world.¹²

In June 1985, Chase Manhattan, Morgan Guaranty Trust, and Banker's Trust—the banks connected to the One-Worlders—were allowed to participate in the Japanese money markets and the Japanese Trust business. Further a Tokyo-based market like the International Banking Facilities allows international financial institutions to create special accounts exempt from many of Japan's domestic regulations. The major American investment banks are spending tens of millions of dollars to expand their Tokyo offices. "These days, you can't be a global player without an important presence in Japan."—Neil P. Benedict, director of finance at Salomon Brothers, a Jewish banking concern.¹³

Although the complete list of Foreign-Related Firms in Japan is beyond the scope of this book, it might be of value to point out to the reader a few firms in Japan that are Foreign-Related (that is underpinned with foreign capital.) The source is The President Directory, 1973. Tokyo: Diamond-Time Pub. Co., 1972 based on 1971 Tax filings. Foreign-Related Firms in Japan:

Matsushita Electronics,

Nippon Univac

Mitsubishi Oil

Yokohama Rubber

Sumitomo 3M

Caterpillar Mitsubishi

Nippon Merck-Banyu

Mitsui Polychemicals

Koa Oil

Vendo (Japan)

Kondo Sewing Machine

Tokyo Nickel

Keisokki Kogyo

Mitsubishi Acetate

Toshiba Ampex

Fuji Xerox

...the entire list is very long. In fact, of the top 100 Foreign-Related Firms 25 consist of 100% foreign capital. Next time the reader sees the name Mitsubishi on a caterpillar, maybe he'll look at the machine differently, knowing that 50% of the company in Japan belongs to non-Japanese.

The Big Three American Auto manufacturers have invested heavily into Japan's auto manufacturing.

IBM, Schick, Nestle, Coca-Cola, McDonald's, Polaroid, Del Monte, Adidas, and many other companies are successful in Japan.

Companies are increasingly joining up in cooperation. General Electric, Toshiba, Hitachi, ASEA, AMU, and KWU (Siemens) joined together to develop an improved nuclear boiling reactor.¹⁴

The Japanese Money Barons are doing great, but the Japanese man in the street has paid the price through hard work and little of the benefits. "Japanese laws discourage consumption. Income tax rates go up to 70 percent. There aren't any tax breaks for home mortgage interest or consumer borrowing....Typically, Japanese can't afford a home until age forty, a decade later than Americans."¹⁵ Interest rates on savings accounts are low. "Small savers—the backbone of Japan's financial strength—suffer. They get less return than they deserve for their toil and thrift. After calculating the effects of inflation, small savers have actually had a negative real rate of return."¹⁶

According to the Federation of Economic Organizations the average land prices in Japan compared to the U.S. are 35 times as high.

Americans are concerned that they run a trade deficit with Japan. But all of us run a trade deficit with our supermarket, it would be a nightmare if each of us had to make sure we sold as much to the supermarket as it did to us. Even if we had a trade surplus it wouldn't mean we were winning economically. Europe had one with us during the 80's while losing 2 million jobs.¹⁷

It is true that the Japanese have made substantial investments in the United States. This indicates that the world is becoming a global community economically. What is also interesting is that all this fuss is made concerning Japanese investment, while British investment in the United States exceeds Japanese.

Some of the Japanese investments are going to be losses. The Japanese banks hold about half the perpetual floating-rate notes, which amounts to billions of dollars. Speaking about these notes (which have by the way had difficulties) Merrill Lynch money-markets specialist Paul Dennison says, "The Japanese couldn't sell their bonds if they tried."¹⁸

The propaganda about the Japanese taking over is just that, they are vulnerable,(as we all are) and can only expect to succeed if they play the game of international interdependence. If they deviate from the Party line, they can easily be crippled economically by the One-World-Power. (Some confidential sources with good connections to the Power say that the One-World-Power plans to pull the rug out from underneath the Japanese economy before they destroy America's.)

Milton Friedman in his massive A Monetary History of the United States documents how the Fed has not maintained a stable money, but has been a major source of instability. The Fed has enormous power over the economy of not just the U.S. but power over Japan as well.

The spirit of the One-World-Economy has been underwritten legally by the GATT (General Agreement on Tariffs and Trade), IMF (International Monetary Fund, OECD (Organization for Economic Cooperation and Development), and bilateral commercial treaties. Since 1970, the Japanese have shifted into line with regards to international trade. There has been plenty of One-World propaganda in the Japanese media, and the globalist attitudes that are appearing among

the Japanese are a radical change from the isolationist views that the Japanese so long shielded themselves with. Japanese pride is very strong, and it will be interesting to see how the Internationalists plan to cope with that.

We find the Japanese full players with the One-World-Order. One example of the many transactions carried out daily is when the Chairman of the Rothschild's American Express James Robinson III wanted to make a deal with Nippon Life, Henry Kissinger personally delivered the letter.¹⁹

The Japanese culture creates citizens that have values that match what the New Order wants. Remember too, that Japan needs an international global economy to thrive. The United States on the other hand is far less dependent on other nations, and could survive even if isolated. (Reports indicate that American oil is capable of supplying all our domestic needs and to last the United States long into the future.)

Prior to W.W. II, Japan was anti-Masonic. Fujivara, the Japanese delegate to the Weltdienst congress in 1938 declared, "Judeo-Masonry is forcing the Chinese to turn China into a spearhead for an attack on Japan, and thereby forcing Japan to defend herself against this threat. Japan is at war not with China but with Freemasonry, represented by General Chiang-Kai-shek, the successor of his master, the Freemason Sun-Yat-Sen... Japanese soldiers were dying not for any narrow national interest but for the sake of the whole world...to...save from the Judeo-Masonic-Bolshevik claws...Do not abandon us, the isolated bulwark in the Far East."²⁰

During the late 1930s, the Japanese took in Jewish Refugees from Germany, about 30,000 of them which were settled in Shanghai, China, in the hopes that a. by giving them refuge the Judeo-Masonic world Power would in thanks leave Japan alone, and b. that by settling them in China they could create a buffer state between their empire and the Chinese.^{20a}

Before W.W. II, Japan had been impervious to foreign secret societies. This was due to their monolithic religious-political system that allowed the Japanese to import Western technology and retain their culture and political system intact. China on the other hand had been a seedbed for secret societies, especially since the Manchus took over in 1644 and secret societies had formed to oppose them. European meddling into Chinese affairs had been extensive too. Japanese perceptions that they and the Germans were allied against the Judeo-Masonic Secret Societies of Europe was not exaggeration. Japanese Institutions prior to W.W. II's defeat could only be challenged in secret, because Japanese Institutions had the concensus of the people. And there had been attempts to establish secret revolutionary societies.

The Mason Douglas MacArthur had dictatorial powers over Japan after W.W. II from 1945 to 1951. He single handedly masterminded the restructuring of Japan after W.W.II. For an good introduction to MacArthur read An American Ceasar. The Japanese have joined Masonic Lodges since W.W. II, but the largest group of Masons in Japan has always been Americans. Japan has at least 25 lodges and 5,000 Masons, with about 1/10 of these Japanese nationals. Interestingly, English and Japanese Masons can not visit each other's lodges, or be masonically associated.

After restructuring Japan, MacArthur was also given command of UN forces in Korea. MacArthur apparently was too independent minded to allow the One-World-Order to have their way and to allow the Chinese to score against the Americans. The Korean War was not designed to serve as victory for America by the One-World-Order. The war had other purposes. MacArthur however, when he saw the large concentrations of Chinese troops massing to attack the Americans wanted to bomb them, and prevent their attack. Unfortunately for American lives, he was not allowed to and was removed from command for persisting to request for permission

to bomb. Even someone as brilliant and great as MacArthur was expected to toe the One-World-Party agenda, and was canned instantly when he didn't.

BUILDING U.S. CORPORATE STRENGTH

One economist has said that the International Financiers are using their economic muscle to build U.S. Corporate strength. This was done by tax incentives for stock, while taking away tax incentives for second properties. Interest rates were manipulated by the Fed, which drove people to turn to stocks rather than leaving money in Bank accounts. Employee Retirement Plans which place their funds into stocks furthered the corporate financial strength.

American and Foreign Corporations believing the New World Order is the wave of the future are getting onto the bandwagon and participating with the World Order's program. It is not important whether they have studied H.G. Wells. Nor is it important that they have or haven't studied Kenichi Ohmae. The probabilities are very strong that those that read in business have read something promoting the One-Worlder's economic ideas, because such literature has been authored by hundreds of men and is practically everywhere, and so many leaders are spouting it.

What is sad, is that the Christian community is being deceived even while this New One World Economic Order is so blatant and extensive. For instance, in the book A Crash Course On The New Age, a popular Christian book supposedly informing the Christians about the New Age, the author redicules Constance Cumbey for connecting H.G. Well's ideas with the New Age. He asks how many scientists of the world today have read Well's The Open Conspiracy. This is misleading in several ways. First, The Open Conspiracy is not the primary book of H.G. Wells being used as a guide for the economics of the One-World-Order, he wrote a number. Second, these people have think-tanks with some of the greatest minds in the world massaging ideas on how to bring in the One-World-Order, they aren't relying on H.G. Wells. Third, since Wells, there have been hundreds of men who have written books on the subject, for instance, a scientist could have read The Borderless World, Power and Strategy in The Interlinked Economy or dozens of other recent titles. So many economists, speakers etc. are lecturing on it, it is hard not to hear about it. Fourth, it doesn't matter if the technicians and scientists have read anything on this subject or heard anybody talk about it. What Wells was suggesting was that the day to day decisions would recide with specialists. That is being done today, just as Wells pointed out that it was being done in his day, only it is now done on a greater scale as he had envisioned. It doesn't require the specialist to see the big picture for them to do their job. By handing over the control of everything in our lives to specialists, power will be taken out of the hands of the people. Wells liked the idea, because it is almost impossible to argue with a specialist.

This author would like to point out the abuses of such a world. In a divorce, a guardian-at-liadem for the minors is appointed to determine who should gain custody of the children. Supposedly such a person knows best—but many actual cases show that the guardian-at-liadems know very little about the cases they are handling.

Another abuse, is that specialists called psychiatrists make judgements about people for the courts that seriously affect the outcomes of the court cases and the sentencing. These psychiatrists are frequently unbalanced people themselves, and their judgements are too often devoid of even common sense. At least in listening to many conversations at coffee breaks, etc. one gets the distinct impression most people regard it rediculous for a criminal to get off by claiming insanity.

More and more the specialists, the experts, are the System's people, who are indoctrinated with the One-World-Power's propaganda, and who are increasingly making decisions based on a very narrow outlook that they have received from the Power's sources such as the System's T.V. and public educational system.

Studies by the two top scientists in the field of global warming have shown that there has been no global warming between 1935-1990. But the system has its own specialists, and consequently there have been numerous international conferences and activities about Global Warming. Why? because the Power wants to stampede us into thinking that unless a One-World-Power is created the environment can not be saved.²¹

Wells knew that by creating an elite of specialists and technicians with lots of credentials, the common man would not dare to question their decisions and things would run smoothly.

The Christians (and other people as well) have not noticed the subtle method of enslavement this will perform. Increasingly, the Power to determine who is an authority, and who gets an education is in the hands of the One-World-Power. The entire educational system is at the mercy of the Federal government, and the grants that the foundations make. The list of Christians who have been excluded from technical positions because they took a stand in line with their Christian beliefs is numerous. Another abuse of Well's concept of an elite, is that the technicians are forced to follow guidelines that they often disagree with. The public accepts their decisions without realizing they are made under the duress of keeping their jobs.

JAPAN

In Japan, the specialists in the Japanese bureaucracy have been able to dictate the validation (ninka) process for foreign business entry into Japan. The career bureaucrats derive much from "second careers" in politics or in major business firms, and the politicians in Japan derive their campaign funds from big business.²² Consequently, until big business in Japan is solidly in the One-World-Camp the specialists in both the "economic ministries" (MITI & Finance Ministry) and the Foreign Investment Council are going to continue making it difficult for foreign investment into Japan. Each application is handled on a case-by-case basis, and for those who are interested in the process for major, minor, and automatic validations should read Chap. VI of the proceeding reference.

IS FREEMASONRY THE WORLD POWER AS IT BOASTS?

In this section, we will examine the One-World-Power's control over Asia.

The One-World-Order maintains its power through a number of channels. For instance, in Iran prior to the Iranian Revolution the CIA ran the country through its agent the Shah, through the Secret SAVAK which they trained and developed, and through the many Mullahs who they paid regularly to support the Shah and to keep the populace's religious devotion in support of their regime.

When Pres. Jimmy Carter failed to give the Moslem clergy the pay raise they felt they could bargain for, the Moslem clergy overthrew the Shah. The Moslem clergy knew the people better than the CIA, and knew that they would support their revolution.

Iran is just one of several Asian countries where the CIA is heavily involved with the secret police to keep a government in power. The Korean CIA works hand in hand with the U.S. CIA. The Indonesian Secret Police, one of the most brutal police forces in Asia, works intimately with

the CIA. The leaders of the CIA are the ones who tie back into the One-World-Power. They are members of the International Bankers, Masons, the elite Power families and the like all committed to the One-World-Order.

For recruits, they like to choose Mormons, because Mormons are the perfect Masonic servants. They have been raised in a theology that is Masonic. They have been taught obedience to authority. They are clean cut, not prone to alcoholism, or drugs and have no religious scruples about the dirty work that must be done, because they are convinced that communism and atheism, et al. are dangerous. (Bear in mind, Mormons in Nazi Germany fought for Hitler right along side the Catholics and Lutherans. Having raised this as an issue with Mormon missionaries repeatedly, I have yet to encounter a Mormon that has seen anything wrong with the German Mormons being given official church approval to fight for Hitler.)

Mormons, generally after their mission, perhaps sometimes during a missionary mission overseas, are recruited by the CIA. Likewise, although the Peace Corps officials have protested, their volunteers are likewise recruited by the CIA. The Masonic Lodge working through their people in the CIA and British Intelligence have a good worldwide intelligence gathering capability.

As the reader is beginning to picture, the One-World-Order uses proxies, and native agents within the Asian countries to complete the vast lower levels of their chain of command.

Masonic Lodges are found in most Asian countries, including Bangladesh, Brunei, Burma, Hong Kong, India, Japan, Korea, Malaysia, Nepal, Pakistan, Phillipines, Taiwan, Thailand, and Singapore.

HONG KONG

Hong Kong has been under the Order's direct rule since China lost the Opium Wars. The penalty on the Chinese for trying to protect their nationals from opium addiction by fighting the Europeans was the forced concession of Hong Kong. On paper a governor appointed by the crown and a legislative council rules. But the legislative council can actually only give advice. In one reference we read about Hong Kong, "Who REALLY rules— The Colonial administration shares power with the wealthier members of Hong Kong's integrated (English-Chinese) business community."²³ It is of importance to keep in mind what powerful British companies started Hong Kong, and then it is clear that the Rothschilds and co-workers control it.

Hong Kong has been a conduit for Israeli military technology to Red China over the years. The BCCI scandal revealed a portion of the enormous military help that Israel has given the Communist Chinese.

INDIA

India is the an important outpost of Freemasonry. Calcutta has been a nerve center for Masonry for over 100 years.²⁴ The British East India Company owned and operated by the One-World-Power ruled India for many years. During this time period, Masonry was established in India. The first lodge was in Calcutta in 1740. In the nineteenth century, ethnic Indians began joining. In 1844, in Bombay a Scottish Rite Lodge (Rising Star No. 342) was started for non-Europeans. In the Bombay area, many Pharsees (also spelled Pharsis) joined. Note that the Pharsees follow the ancient Iranian religion taught by Zoroaster, which was the forerunner of Mithraism. See chapter 1.2 were Masonry and Mithraism are equated.

In the New Delhi area, many Hindus joined. The turbaned Sikhs who never cut their hair also found Masonry appealing. Approximately 500 Masonic lodges can be found in India today.

In the 1880s, for some reason the World-Order decided to rule India from behind the scenes rather than through the British government. However, the people in India didn't want self rule. Many Indians realized that in their fragmented nation the British could be counted on to be an impartial benevolent ruler. Evelyn Baring, Finance Minister of the Government of India, declared in 1882 that the Indians needed to become self-governing on a local level. "We shall not subvert the British Empire by allowing the Bengali Baboo to discuss his own schools and drains. Rather shall we afford him a safety valve if we can turn his attention to such innocent subjects."²⁵

However, a number of Indians observed that if the British had not turned over local administration to the Indian locals, the Indians would have not considered independence. The reason being was that when the British did all the administrating, things were done right, but with limited self-rule things deteriorated and people lost sight of the advantages of British rule.

Annie Besant and her Theosophical Society, which originated from Masonic roots and has been led by Co-Masons, led the fight for India's independence. She began advocating for independence even in the 1920s. Mahatma Gandhi, Nehru, and the clique of Gandhis that have followed and ruled India have been connected to the Theosophical Society. Mahatma Gandhi was a member of the Theosophical Society.

The Russians and Germans also encouraged Indians to turn against British rule. However, in spite of all the various groups seeking independence, the power of the One-World-Order in India was never threatened.

Economic control in India for the One-World-Order is through the Sassoons (one of the female branches of the Rothschilds).²⁶ They control the Banks in India among other items. The power of Sassoons extends further than India today.

India is also ideal in many ways. The population can be easily controlled by religious gurus. The caste system, although no longer legal, is part of India's culture, and it produces a hierarchy which is also perfect for control. Three quarters of the people are Sudras—that is outcasts who are only fit for the most repulsive of jobs.²⁷ The multitude of factions, make a divide and conquer strategy easy for whoever has money.

Even more openly than in the U.S. and the U.K., India has been ruled by a elite which stays in power through corruption. The people in India today, in general, are disillusioned with "democracy."

S.K. Ghosh, an Indian writer has recently come out with the book *The Indian Mafia*. He states, "In return for a ring of security, our politicians have surrendered their powers to gangsters." He notes that a mood of cynicism and foreboding pervades India's population of 844 million people.

The System's media is telling us and the Indians that it is a lack of foreign investments, lack of India not using Western lending institutions that have caused India's misery. The truth is that the religious beliefs of Hinduism cause a great deal of the problem.

MASONIC CONTROL OF GREAT BRITAIN

The World Order controls Great Britain completely. The British monarchs have allowed themselves to be the nominal heads of the Masonry down through the years. As so much of British Royalty has been involved in Masonry, and this has been with all the pagentry that Britain is so famous for, it is public knowledge that British Royalty is part of the Masonic system. There

are few exceptions, and it is questionable if the specific details are needed to relate the religious side of the story.

It is my intention to keep this section as brief as possible because it deals with politics. However, something must be offered the reader on this area, because the religious threat of a One-World-Religion seems so remote until we realize that the people of the One-World-Religion are the same group who are have control of our political/judicial systems.

In the United Kingdom (U.K.), two major political parties have been created, the Conservatives and the Labour parties. As in the U.S. both political parties are controlled by the One-World-Power.

Even more so than in the U.S. there is fundamentally little difference between the two parties. One British authority on the British parties noted that, "Two monolithic structures now face each other and conduct furious arguments about the comparatively minor issues that separate them."²⁸

As in the United States the Labor Unions have sided with one particular party. In the U.S. it is the Democratic party, and in the U.K. it is the Labour party. Anyone familiar with the Labor Unions is aware they don't exist solely for the working man. They have hidden agendas and politics to them. That is not said here to be taken as anti or pro Union, just that Labor Unions should be viewed in relation to the external forces and issues that involve them. Who started these Unions, who controls them, and why? Just a sample of where the reader might begin answering this is Annie Besant, Fabian, Socialist, Co-Masonic and Theosophical leader, and others like her.

The British voting population has been divided up into Constituencies, the boundaries of which are determined by Government Commissions from time to time. From these 635 Constituencies come 635 Members of Parliament (MPs). The MPs in the House of Commons is considered to be the House that carries out the actual legislative work, the House of Lords being more show. Actually, policy is decided by other groups. "The Milner Round Table later became the Royal Institute of International Affairs-Council on Foreign Relations combine which exercises unopposed control for the World Order over foreign and monetary policy in both the United States and Great Britain."²⁹

The British legal system is totally in the control of the Masons. It is practically a given in Britian that you must join the Masons to become a lawyer. The Judges are essentially all Masons. (According to Knight in his book *The Brotherhood*, upwards to 70% of British judges are Masons, and 90% of the lawyers, called barristers and solicitors in Britain.—These figures may well be too low, although the law is on the books for the lodges to report their membership lists, it has never been enforced.) The lawyers in Britian decide who is allowed legal aid, if your case is a non-Mason against a Mason you can forget trying to get legal aid. Also to your disadvantage is your mercenary, your lawyer, is invariably a Mason and can't be depended upon to help your case against his brother Mason.

In chapter 2.1, in the section on the Anglican Church is was shown how Masonry controls the Church of England. In turn, the Church of England dominates religious life in England. A breakdown of religious affiliation in England is given in *The Statesman's Year Book*, 1978-9:

England and Wales

Church of England 27,180,000 [Masonic leadership]

Roman Catholic 4,190,000 [see chp. 2.2 on Mas. leadership in Cath. Ch.]

Methodist & Ind. Meth. 562,616 [largely Masonic leadership in G.B.]

Baptist 187,144 [largely Masonic leadership]

Methodist Chr. of Wales 99,288 [" " " "]

Congregational Union 181,101 [Masons in leadership]

Scotland

The Church of Scotland 1,041,772 [Masons in leadership]

Roman Catholic 813,200

Episcopal Church 76,298

Northern Ireland

Roman Catholic 477,918

Presbyterian 405,719

Church of Ireland 334,318

Methodist 71,235

Every so often, various church councils investigate Masonry to discover if there is any conflict between Masonry and the church. And who from the churches staff these investigations?—Masons, and who do they interview? usually Masons, and what books do they read? Masonic literature. For instance the Church of Scotland's investigation in 1964-5, which was helped by the Grand Lodge of Scotland. Another example of Masonic help in an investigation of the Lodge was to the Presbyterian Church of Victoria, Aust. in 1957-8. Of interest is the statement in the Presbyterian report, "The committee had knowledge of the truth of the opening words of the petition that many Ministers and Laymen of unquestioned sincerity are members of the Masonic Lodge."

As might be expected in a country run by Masons, whose religious life is controlled almost entirely by Masonic power, very few British are church goers. Interest in the Bible is scarce, and the Moslems and Sufis are making big gains.

By 1688, religious conflicts in England on a major scale were over, and the Masonic system of toleration had begun to pervade the British. It has been slowly diluting their religious fervor. In spite of this, individual British have been great men of God. Whether for good or bad, the British have been a big religious influence world wide.

The British Prime Minister appoints the Governor of the B.B.C. By the way, the Prime Ministers have been their men, or in Margaret Thatcher's case their woman. (How many people know that she worked for OSS intelligence, and in 1981 went to a reunion of OSS veterans in New York City.³⁰ She also is a Bilderberger. The Mason Winston Churchill is well-known for kicking off the Cold War with his "Iron curtain speech". He was a One-Worlder and only had close connections with the Fabian socialists, along with liking their view of things.³¹

Reuters, perhaps the best worldwide news service which supplies the American news networks with much of what they use, is owned and operated by the Jewish Clique that is working on setting up the One-World-Order. There are about 150 daily and Sunday newspapers in the U.K.,³² which is a very small number compared to most other comparable western nations. And yet at the same time, more newspapers are sold in the U.K. than in any other country in the western world. The press, radio, and TV are predominantly London-based and London-controlled.³³ In short, while the uninformed person might think that a nation of over 57 million people with ties to every other nation globally would have access to lots of unbiased information, the censorship and control in Great Britain is as tight as anywhere. Those who have really rocked the boat have been arrested in England, and some have even been moved to prevent relatives

from locating them. An example is the imprisonment of Lord Alfred Douglas in the 1920s after he published information in Plain English (Sept. 3, 1921).

Financial Power resides in the Bank of England, which is controlled by Jewish concerns, to a large extent the Rothschilds.

Jewish-Masonic concerns can be seen to totally dominate British life and politics. What helps out further in some ways, is that because the British are so homogenous in racial composition (in relation to comparable countries) and like the Japanese develop and work off a national consensus, it is only a matter of leading the herd of cattle to direct public opinion. The British defer to their leadership, and to authority. That is one reason why British police (Bobbies) do not need to tote guns—although they can use them if need be. If this sounds to harsh, it is only saying in a less positive manner what many British authorities are well aware of.³⁴ The reader can study this for himself in the references in this last superscript footnote.

Americans and Canadians have been taught that William the Conqueror was the last conqueror to invade the British Isles successfully. To quote The World Almanac published for the Kitchener-Waterloo Record, Canada (1983) p.573, "The last successful invasion was by French-speaking Normans in 1066 who united the country with their dominions in France." However, a more exact history is "Largely because of her insular position, combined with the maintenance of a powerful navy, Britain has been able to resist successfully all attempts at foreign invasion since 1066, apart from the relatively peaceful 'invasion' by William of Orange in 1688."³⁵

Those who helped William of Orange invade have been in leadership positions since. "Those who had aided William's invasion were well-rewarded; they have been the wealthiest families in England since."³⁶ "Despite the fact that mobility between the social classes from one generation to another has increased since the principle of free and compulsory secondary education was established, family background remains fundamentally important in determining social class."³⁷ One's family background determines what schools one can go to, and that in turn determines what occupation one can get into. Britishers that come to the U.S. enjoy the seeming lack of a hereditary elitism, their aristocracy that is so oppressive and pervasive in British life.³⁸

America's hereditary aristocracy is much less visible than Britain's. Indeed, few Americans realize the enormous hereditary links between America's leadership and the original powerful New England families.³⁹ Also unknown are the connections between the America's aristocracy and William of Orange and those powerful men who helped him.⁴⁰ The Jewish bankers of Amsterdam financed William of Orange. The most influential act of William was to create the Bank of England in 1694.

Men who have been permitted to play large roles in the Bank of England have been near the center of power. They and their descendants have played important roles in Canadian and American history. For instance, the Duke of Marlborough, an early large stockholder in the Bank of England became the Governor of the Hudson Bay Company. Remember, that the Hudson Bay Company ruled over more land in North America at the time of the Revolution than all of the 18 British North American colonies combined.

According to Mullins, every ruling house of Europe today, whether in or out of power, are direct descendants of King William of Orange.

FRANCE

Recently, documentation has come out in France exposing the Establishment-supported doctored history. A wealth of documentation is being given the French people that the French

revolution was created by an anti-French minority who set about the deliberate destruction of 3.5 million Frenchmen. These same murderers, through their descendants, remain in power today.

"This mystery group, all linked by their membership in the Grand Orient, a major Masonic secret order, has ruled France for the last 200 years. It has created an omnipresent bureaucracy and police network to keep the general populace in line. It was on this system that Lenin and Trotsky patterned their own Bolshevik reign of terror, resulting in the deaths of 50 million people."⁴¹

At the end of W.W. II, under the guise of taking care of collaborators with the Germans, the Grand Orient Masons went after every one on their hate list. One and a quarter million Frenchmen were killed at the end of W.W. II by the Masons. Most had had nothing to do with the Germans, they were simply enemies of the Grand Orient Masons. Women were paraded naked in the streets heads shaven, before being tortured to death. Men were shot like dogs. Children were tied to posts and shot. Sisley Huddleston's rare book France, the Tragic Years tells the story of this recent masonic butchery.

The Grand Orient in spite of all the Masonic propaganda to the public, maintains a close working relationship with the American and British lodges. The Alpina Lodge in Switzerland serves as a switchboard for the various groups of Masons.

MEXICO

From the Masonic reference book 10,000 Famous Freemasons we learn of the Masonic memberships of the following Presidents

of Mexico: Jose de la Cruz Porfirio Diaz, 1877-80, 1884-1911,

Manuel Gonzalez 1880-84, Miguel Aleman, 1947-52. From the Scottish Rite New Age Magazine, (June '1963) p. 53, we learn President of Mexico Cardenas Obregon was a Mason. It is clear why the Mexican governments in the past have been so anti-Catholic, they have been as Masonic controlled in Mexico as in the United States.

A CONCENTRATION OF POWER

Power in America and Great Britain is concentrated within a small sphere of elites. Not only do these elites control political decisions, but they run the financial institutions, the corporations, the news, the oil companies, and other centers of power. There is a tremendous amount of interlocking directorates of the various types of institutions. For instance, an international banker might also run oil companies, transportation companies, communication companies, foundations, universities, and hold some political office. This is not a new concept for those who have studied who actually makes the decisions in our society. What may come as a surprise to some though is that this elite is not an aggregation of individuals, but in general is a group. It is a group of men who by virtue of their relationship to the New World Order have access to the institutions that will allow them to progress to prominence. In other words, people do not solely become powerful because they have sparkling personalities, valuable skills, ambition, etc. but also because of their position relative to the power structure of the New World Order.

Power is an attribute of roles within the New World Order, and is not an attribute of individuals. George Bush has power due to his role within the New World Order, not because he personally is such a powerful personality, but because he and his family play an important role.

The Rothschild family, for instance, is an institution that is acutely aware of its role and its power. The Rothschild family has been very interested in genetic engineering and the raising of superior beings through genetics. Hitler, one of their illegitimate offspring did important research for them concerning genetics. The Rothschild family raises illegitimate offspring whose parents have been genetically matched. One of the names that they like to give their illegitimate family

members is Bauer (also Bower) which was their original family name before Rothschild was adopted.

Although it was the original intention of this Author to show how the power of the various institutions such as banking, television, politics, oil and gas, utilities, etc. are concentrated in the control of a small group of elites, I have opted instead to simply provide a few suggested sources for the reader to study.

FOR FURTHER STUDY FOR THE READER:

Who's Running America? by Thomas R. Dye and Florida State University. This book was not the creation of some foundation grant, but developed out of a graduate seminar at FSU. This is one of the most exceptionally well-written well-researched books to instruct the public about the elite that controls their lives. Highly recommended for someone who wants more nitty-gritty details than this book provides. The book is a systematic look at the various areas of power. Don't expect any secrets to be revealed, the book's contents are not extremely controversial. Be Wise As Serpents goes beyond Who's Running America and reveals the secret groups such MJ-12 and the policy committee of the Bilderbergers who really make the decisions.

The Energy Cartel, Who Runs The American Oil Industry by Norman Medvin. This book exposes the unchecked concentration of power that allows the elite through joint ventures and interlocking directorates, insurance companies, and large banks, etc. to have worldwide control of energy resources. It happens that the elite that The Energy Cartel portray are not interested in the general welfare of the world's people, but for the control of the world for their New World Order. The book states that its main purpose "is to show that popularly held assumptions about vigorous competition in the oil industry are false."(p. 3) It is clearly shown that an elite of less than a dozen members control the America's (and the world's) energy.

The Money Lenders by Anthony Sampson. This book gives a good look at the world of the International Bankers. Although this book is not an exposé, its excellent information does bring the power of International Banking into clear view. It describes how the world including the communist world is in hock to the elite of the International Bankers.

40. Examples of influential leaders today that have ties to William of Orange are: Rita Ricardo-Campbell, wife of the dir. of the Hoover Inst, and a key Reagon advisor, she is descended from David Ricardo (1772-1823) renown economist of the harsh "iron law of wages", who in turn was descended from Abraham Israel who came over to England with William III; the chairman of the

Joint Chiefs of Staff(intelligence) in W.W. II who was also dir. of Rothschild's Rio Tinto descended from Dentinck who gave assistance to William of Orange; Pam Harriman, was a leading power in the democratic party, daughter-in-law to Winston Churchill, descendent of John Churchill (aka Duke of Marlborough) who came with William; husband of J.F.K.'s dead sister Kathleen, descendent of Lord Polworth who helped William prior to his invasion and sailed with him.
